

As a valued customer, we are proud to announce an important change at Micron Metrology 2000 Limited.

As of 1<sup>st</sup> July 2014, we will be changing our name to Rhopoint Metrology Limited. You will already be aware that in May 2012 we became part of the Rhopoint Group.

This union has enabled us to expand in size and increase the number of services that we can now offer our customers. We do hope that over the last two years the change has appeared seamless and that our level of service has only been seen to improve.

The time has now arrived to align our name with the Rhopoint Group and as a result we will now be known as Rhopoint Metrology. This rebranding exercise is designed to mirror the growth and transformation of our organisation.

Along with this change in Company name, we will also be adopting a Group online identity.

Our e-mail addresses will change to the domain@rhopointmetrology.co.uk and our homepage

will become [www.rhopointmetrology.co.uk](http://www.rhopointmetrology.co.uk)

You can still expect to receive the same level of dedication and support and please do contact us to discuss any further requirements you may have as our range of services and products that we can offer as part of the Rhopoint Group have increased substantially.

For information about the Rhopoint Group please visit [www.rhopoint.com](http://www.rhopoint.com),

We thank you for your continued support and look forward to a long and successful relationship for the future.

Yours sincerely,

Alan D Smith  
General Manager  
Rhopoint Metrology Limited

John Briggs  
Group Managing Director
